**Enriching Communities. Empowering People.**

## Online Survey

The Green River Area Agency on Aging and Independent Living is required to conduct a community needs assessment of our area's senior citizens. We

would like for you to take a few minutes of your time to assist us by completing this survey. Your responses will help us to identify areas of need both with services we currently offer and the ability to explore other areas of service which we are not currently addressing. Please click on the link to complete the survey
